

Action Roguelite Shooter *NeverAwake FLASHBACK* Set for Release on Wednesday, December 10, 2025! Demo Now Available During Steam Next Fest!

Release Date Decided: Wednesday, December 10, 2025!

Phoenixx Inc. (Headquartered in Musashino, Tokyo; CEO: Kazunori Sakamoto) is pleased to announce that the action roguelite shooter *NeverAwake FLASHBACK* will be released for PC (Steam) on **Wednesday, December 10, 2025**.

Additionally, the game will participate in the "**Steam Next Fest: October 2025 Edition**," which is being held on the PC game platform "Steam" from **Monday, October 13, to Monday, October 20, 2025**. A free demo is being distributed for the event.

NeverAwake FLASHBACK is the sequel to the "nightmare-themed" action shooter *NeverAwake*, which won the highest award, the "VERMILION GATE AWARD / Scarlet Prize (Grand Prize)" at "BitSummit X-Roads" in 2022.

The title was originally developed as a new mode DLC that could be challenged in a short time, similar to an arcade shooter. However, as the developer's ideas and concepts expanded, the content grew, resulting in a game that can be fully enjoyed as a standalone title. With the desire for more people to easily experience the *NeverAwake* system, it was decided to release it as a separate title on December 10, 2025.

NeverAwake FLASHBACK is Participating in "Steam Next Fest: October 2025 Edition"!

NeverAwake FLASHBACK's participation in the 'Steam Next Fest: October 2025 Edition' event, held on the PC platform "Steam," has been confirmed. This event is a major "Steam" event that gathers many demos and streams of unreleased titles.

The demo is available to play starting today from this page. Please join us!

Beyond the Nightmare. Action Roguelite Shooter *NeverAwake FLASHBACK*

Rem, who successfully woke up from her nightmare, was spending her days in peace with her

clouded feelings cleared. However, she soon found herself plagued by nightmares every night again... What is the cause of these nightmares? Will Rem be able to wake up again from more nightmares?

■ Completely Renewed Game Rules! Reborn as a Roguelite Shooter Themed Around the Nightmare World of *NeverAwake*

- While retaining the basic specifications of *NeverAwake*, the game adopts a style where shuffled stages are played randomly.
- Players progress by selecting weapons and accessories acquired between each stage, creating a challenging, short-burst experience akin to an arcade shooter.
- "Gabe-chan," who is an important companion to Rem, joins the game as a partner to protect Rem, allowing you to fight together.
- Completely new stages, new bosses, and new accessories have also been added.
- Conquer the game with your powerful ally, "Gabe-chan"!
- The world-view and game system are now more complex and engaging.

For those who haven't played *NeverAwake* yet, this title offers an easier way to experience the highly-praised shooting system and its fascinating world. For existing players who have supported and mastered *NeverAwake*, this reborn title provides a new game experience that they can enjoy with a fresh perspective.

Whether you're new to the series, returning after a break, or a hardcore player, please look forward to the expanding world of *NeverAwake*!

NeverAwake FLASHBACK Steam Page is Now Open! Please add it to your Wishlist!

The Girl is Still Not Waking Up—The "Nightmare-Themed" Action Shooter *NeverAwake*

NeverAwake is a "nightmare-themed" action shooter characterized by its unique world view, painted with beautiful yet sinister hand-drawn graphics, and its highly original game rules. Despite its substantial volume, its unique game system provides high replayability, making it easy for a wide range of players, from beginner shooters to experts, to enjoy. In the nightmare of the girl who won't wake up, "Rem," what did she see after fighting the things she hates?
